

COMPANY PROFILE

About Us

DTD Fine Art Services is a specialized logistics company dedicated to the secure movement, storage, and management of fine art. With hubs in New York, Miami, and Los Angeles, we support galleries, collectors, museums, auction houses, and institutions across the United States and international art markets.

What distinguishes DTD is our integrated approach. By combining professional art handling with in-house freight forwarding and U.S. customs brokerage, we provide clients with a streamlined solution for domestic and international shipments.

Our team manages each project with precision and discretion, whether transporting a single artwork, coordinating art fair logistics, or overseeing complex international shipments. From climate-controlled storage to custom crating and installation, every service is designed to protect the integrity of the artwork and simplify logistics for our clients.

DTD Fine Art Services is built on reliability, expertise, and long-standing relationships within the global art community.

OUR SERVICES

ART FAIR SERVICES

Seamless logistics for the world's leading art fairs

Transporting and exhibiting fine art requires precision, expertise, and careful coordination. DTD Fine Art Services provides comprehensive art fair logistics to ensure every piece arrives safely, is installed professionally, and remains protected throughout the exhibition.

Our experienced team supports galleries, collectors, and exhibitors with seamless transportation, installation, and storage solutions, allowing you to focus on presenting and selling your work.

Our Art Fair Services Include:

- Coordination of all logistics to and from the venue
- US Customs brokerage for international shipments
- Professional display setup and installation
- Secure, climate-controlled storage during the fair or between venues
- Local delivery and installation of artwork sold at the fair
- Shuttle services to transport artwork to your next art fair
- Dedicated concierge support available 24/7 throughout the event

CLIMATE - CONTROLLED FINE ART STORAGE

DTD Fine Art Services provides secure, climate-controlled fine art storage in New York, Miami, and Los Angeles, offering museum-quality environments designed to protect valuable artwork and collections. Our facilities combine advanced security systems, professional art handling, and precise inventory management to ensure your pieces remain safe and preserved at all times.

Our storage facilities feature:

- Advanced fire detection and security systems for maximum protection
- Climate-controlled environments designed to preserve artwork integrity
- 24/7 virtual inventory access for real-time monitoring
- Carpeted storage racks for safe handling of delicate works
- Computerized inventory management for accurate tracking
- Highly trained art handling professionals dedicated to collection care

Protect your artwork with secure, professional storage from DTD Fine Art Services.

CUSTOM ART CRATING & PACKING

DTD Fine Art Services designs custom packing and crating solutions to ensure the safe transport and protection of fine art. Every crate is engineered to meet the specific requirements of each artwork and its mode of transport, whether by air, sea, or land.

Our experienced team develops durable, cost-effective packaging designed to safeguard valuable artwork throughout the entire shipping process.

Our crating solutions include:

- Climate-controlled crates for sensitive artwork
- Framed tri-wall crates for enhanced structural strength
- Two-way crates designed for versatile handling
- Slatted crates for lighter shipments
- Traveling exhibition cases for touring collections
- Museum-quality crates tailored for all types of artwork

We also provide on-site packing and crating services, ensuring artwork is professionally secured wherever it is located.

DOMESTIC ART TRANSPORTATION

DTD Fine Art Services provides secure and reliable domestic transportation for fine art across the United States and Canada. Whether moving artwork locally by specialized art trucks or coordinating expedited air freight for long-distance shipments, our logistics specialists ensure every piece is transported with precision, care, and efficiency.

Domestic Trucking

Our dedicated art trucking network provides flexible transportation solutions using specialized vehicles and experienced art handlers.

Services include:

- Consolidated and dedicated blanket-wrap truck services
- Weekly and daily shuttle routes connecting major art markets such as New York, Miami, and Los Angeles
- Reliable transit schedules with regular status updates
- Secure transportation throughout the United States and Canada

Domestic Air Freight

For time-sensitive shipments, our domestic air freight services provide fast and secure delivery between major cities and art hubs.

Services include:

- Same-day and next-day air freight services
- Priority cargo handling for urgent shipments
- Secure transport for valuable and temperature-sensitive artwork
- Freighter solutions for oversized or complex cargo

Our experienced team manages every stage of the process, providing personalized coordination from pickup through final delivery.

INTERNATIONAL FORWARDING

Air Freight

Our air freight services connect major art hubs worldwide through first-class carriers and dedicated cargo solutions. Whether transporting a single artwork or an entire exhibition, we ensure secure and time-sensitive delivery.

Services include:

- Direct and consolidated air cargo worldwide
- Priority handling for time-sensitive shipments
- Secure and temperature-controlled transport for delicate works
- Freighter and charter options for oversized cargo

Operating from our Newark and Miami hubs, we manage all export documentation and provide white-glove coordination from pickup to delivery.

Ocean Freight

For larger or less time-sensitive shipments, our ocean freight services offer flexible and cost-effective international transport while maintaining the highest standards of care.

Services include:

- Less Than Container Load (LCL) and Full Container Load (FCL) shipments
- Out-of-gauge and Roll-On/Roll-Off solutions for oversized cargo
- Semi-monthly art consolidations to London with door-to-door delivery
- Multi-modal logistics solutions for complex international shipments

Our specialists coordinate sailing schedules, routes, and handling procedures to ensure safe and reliable transport for fine art worldwide.

US CUSTOMS BROKERAGE & IMPORT SERVICES

DTD Fine Art Services provides specialized US customs brokerage for fine art shipments arriving through major ports across the United States. With headquarters at Newark International Airport and a presence at Miami International Airport, our team ensures efficient customs clearance for international artwork entering the country.

Our experienced specialists manage both routine and complex entries involving multiple regulatory agencies, providing reliable support for time-sensitive shipments and high-value cargo.

We process airfreight customs entries on a wheels-up basis, helping ensure the fastest possible clearance while maintaining the highest standards of compliance and security.

Value - Added Services:

- CITES, Visa/Quota, USDA, and FDA formalities
- Temporary import entries
- Carnet processing
- Duty drawback services
- Consultation on import regulations and tariff classification
- Specialized handling for fine art and antiques
- Import Security Filing (ISF) processing
- Personal effects clearance
- High-value off-load supervision and secure transportation

DTD Fine Art Services ensures your international shipments move smoothly through customs with precision, compliance, and care.

FINE ART INSURANCE COORDINATION

At DTD Fine Art Services, we understand that the value of fine art extends far beyond its monetary worth. To safeguard your collection, we offer expert insurance coordination designed to protect artwork during transportation, storage, and exhibition.

While our team handles every piece with the highest standards of care, comprehensive insurance provides an additional layer of protection against unexpected risks such as damage, theft, or natural events.

Our Insurance Coordination Services:

DTD Fine Art Services works with trusted insurance providers to simplify the process and ensure your collection is properly protected.

- Tailored insurance solutions for individual works or entire collections
- Coverage during transportation, storage, and exhibitions
- Full coordination and documentation support

Whether shipping a single artwork or managing a large collection, our team ensures your pieces are protected with the appropriate coverage and attention to detail.

INTERIOR DESIGN & PROJECT ART LOGISTICS

DTD Fine Art Services supports interior designers with comprehensive art logistics solutions that simplify project coordination from sourcing to final installation. Our team ensures artwork is received, stored, transported, and installed with precision, allowing designers to focus on creating exceptional spaces for their clients.

From climate-controlled storage to white-glove installation, we provide reliable logistics services tailored to the unique needs of design projects.

Our Services Include:

- Warehouse Receiving – Secure receiving and condition inspection of artwork upon arrival
- Climate-Controlled Storage – Safe, museum-quality storage for valuable artwork and collections
- Domestic & International Transportation – Coordinated shipping, customs documentation, and delivery worldwide
- Inventory Management – Organized tracking and management of client collections
- Private Viewing Room – Dedicated space for reviewing artwork prior to installation
- White-Glove Installation – Professional on-site art installation handled by experienced specialists
- Custom Display Solutions – Bespoke framing, mounts, and presentation solutions tailored to each project

Partner with DTD Fine Art Services to ensure every piece is delivered, handled, and installed with the highest level of care.

ESTATE & COLLECTION MANAGEMENT SERVICES

Managing valuable artwork within an estate requires expertise, discretion, and careful coordination. DTD Fine Art Services provides specialized logistics solutions to help estate managers, advisors, and families protect and organize fine art collections during estate transitions and sales.

From secure storage to transportation and auction house coordination, our team ensures every piece is handled with professionalism and care.

Our Estate & Collection Services Include:

- Secure Art Storage – Climate-controlled facilities designed to protect valuable artwork and collections
- Specialized Art Transportation – Safe and reliable transport for individual pieces or entire collections
- Auction House Coordination – Logistics support for appraisals, transport, and auction preparation
- Collection Management – Organized handling and tracking of artworks during estate transitions

DTD Fine Art Services provides trusted support for estate transitions, ensuring collections are preserved, organized, and transported with the highest level of care.
